

“Voices of the River”

**A call for poetry
from
Friends of Herring River**

Poetry Inspired by the Restoration of Herring River

In Honor of
**National Poetry Month
April 2021**

The restoration of the Herring River and the salt marsh is inspiring many poets, painters, photographers and writers.

Friends of Herring River will be accepting poems throughout the month of April to be published in our newsletter in May. You can find out more about Friends and about the river and the restoration on our website www.herringriver.org
